Appendix B – GTL Consent to Act

Appendix C – Proposed Sales Process

Introduction

1. On January 9, 2024, Annapolis Management Inc., BSL Holdings Inc., Ruby LLP, 3337151 Nova Scotia Limited and 4551650 Nova Scotia Limited (together, the “**Caryi Group**” or the “**Debtors**”) filed materials in respect of an application (“**CCAA Application**”) to the Supreme Court of Nova Scotia in Bankruptcy and Insolvency (the “**Court**”) for an initial order granting certain relief pursuant to the *Companies’ Creditors Arrangements Act*, R.S.C., 1985 c. C-36, as amended (“**CCAA**”).
2. In response to the CCAA Application, Douro Capital Limited (“**DCL**”) with support from the majority of the Caryi Group’s secured creditors filed a cross application to appoint Grant Thornton Limited (“**GTL**”) as interim receiver pursuant to section 47(1) of the Bankruptcy and Insolvency Act, RSC 1985, C B-3 (“**BIA**”) over the Debtors’ real property. GTL’s pre-filing report (“**Pre-Filing Report**”) as proposed interim receiver is attached hereto as **Appendix “A”**.
3. On January 13th, 2025, the Caryi Group withdrew the CCAA Application. On January 14, 2025, the Honorable Justice Keith set down filing timelines and January 24, 2025 for Douro Capital Limited, Atlantic Central, League Savings and Mortgage, Assumption Mutual Life Insurance Company, 3046475 Nova Scotia Limited and Graysbrook Capital (collectively, the “**Lenders**”) to file materials requesting an order (“**Receivership Order**”) appointing GTL as receiver and receiver-manager (“**Receiver**”) of the Caryi Group pursuant to section 243(1) of the BIA.
4. GTL is filing this supplement to its Pre-Filing Report (“**Supplemental Report**”) in its capacity as proposed receiver (“**Proposed Receiver**”) to provide the Court with information for its consideration in respect of the relief sought by the Lenders.

Purpose of the Pre-Filing Report

5. The purpose of this Supplemental Report is to provide the Court with the Proposed Receiver’s understanding and views on the following matters:
 - (a) The qualifications of GTL to act as Receiver pursuant to the Lenders’ application;
 - (b) An update on the Proposed Receiver’s understanding of the Caryi Group’s property since the Pre-Filing Report;

- (c) The Proposed Receiver's understanding of the Lenders' request for the Receivership Order; and
- (d) The Proposed Receiver's intended plan of action should the requested relief be granted, including a process for realizing on the Debtors' Property.

Terms of Reference

6. In preparing this Supplemental Report, the Proposed Receiver has relied upon (i) certain aspects of the Debtor's financial and other information included with the Caryi Group's application materials filed in respect of the CCAA Application (ii) information provided to the Lenders in respect of the Caryi Group's financial position, (iii) discussions with certain of the Lenders and their respective legal counsel, and (iv) the application materials filed by the Lenders. Such information has not been audited by the Proposed Receiver as to its accuracy or completeness, nor has it necessarily been prepared in accordance with generally acceptable accounting principles. Readers are therefore cautioned that this Supplemental Report may not disclose all significant matters related to the Caryi Group.
7. This Supplemental Report has been prepared for the use of this Court as general information relating to the Caryi Group and to assist the Court in determining whether to grant the relief sought by the Lenders. Accordingly, the reader is cautioned that this Supplemental Report may not be appropriate for any other purpose. The Proposed Receiver will not assume responsibility or liability for losses incurred by the reader as a result of the circulation, publication, reproduction or use of this Supplemental Report contrary to the provisions of this paragraph.
8. Capitalized terms not otherwise defined herein are as defined in the Lenders' application materials, including the January 13, 2025 affidavit of Charles Ackerman ("**Ackerman Affidavit**"). This Supplemental Report should be read in conjunction with the Ackerman Affidavit as the Proposed Receiver has not reproduced all information to avoid unnecessary duplication.
9. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian Dollars.

Qualifications to Act as Receiver

GTL is a Licensed Insolvency Trustee within the meaning of section 2(1) of the BIA and is not subject to any of the restrictions on who may be appointed as Receiver or Trustee set out in section 13.3(1) of the BIA. A copy of the Proposed Receiver's consent to act is attached hereto as **Appendix "B"**. Should the Court grant the Receivership Order, GTL will engage counsel to, among other things, obtain an independent legal opinion with respect to the validity and enforceability of the security held by the Lenders.
12. GTL draws breadth of experience from its team of Partners and colleagues in Atlantic Canada, with recent and relevant experience in the real-estate sector including as Court appointed Receiver over eleven (11) fully occupied apartment buildings in Nova Scotia and New Brunswick. 14. The Proposed Receiver understands the Caryi Group's real property is secured by approximately \$47.6 million of mortgages. The Lenders who are applying for the Receivership Order comprise approximately 96% of the Caryi Group's estimated outstanding mortgage debt, which continues to accrue interest, as summarized below:

Secured Creditors	Estimated Mortgage Balance	Applicant Lender Group
Atlantic Central	\$ 16,102,160	\$ 16,102,160

15. The Proposed Receiver understands that CIBC and Saltwire, the two creditors noted above with mortgages on the Debtor's Real Property that are not included as an Applicant, have been included on the service list.
16. Since the date of the Pre-Filing Report, the Proposed Receiver understands that:
- a) As advised by counsel to the Caryi Group, Joanne Caryi resigned as director of BSL Holdings Inc., 3337151 Nova Scotia Limited and 4551650 Nova Scotia Limited, three of the four entities that comprise the Caryi Group. As at the date of this Supplemental Report, the Proposed Receiver is advised that Steve Caryi, who is deceased, remains as the only director of each entity and therefore no "directing mind" exists for these entities;
 - b) Counsel to the Caryi Group has advised the Proposed Receiver that insurance in respect of the real property was paid and in effect through February 1, 2025, but that the Caryi Group did not have sufficient funds for insurance to remain in effect thereafter;
 - c) Counsel to the Caryi Group has advised the Proposed Receiver of certain repairs, maintenance, and enforcement matters that may require immediate attention in respect of certain properties, should the Receivership Order be granted;

- d) Counsel to the Caryi Group during the hearing held on January 13th, 2025 advised that the statutory tax filings due to the Canada Revenue Agency are significantly in arrears; and
 - e) Atlantic Central, League Savings and Mortgage, Assumption Mutual Life Insurance Company, 3046475 Nova Scotia Limited and Graysbrook Capital have all sent their notices of intention to enforce security (“**NITES**”) pursuant to section 244 (1) of the BIA.
17. The Proposed Receiver understands that operations at Comvest, dba the Halifax Club, have continued via a lease with Annapolis Management Inc., who retains the operational liabilities associated thereto. Comvest does not form part of the proposed Receivership Order as it holds no real property.

Caryi Group’s Filing of NOI Proceedings

18. The Proposed Receiver was advised by counsel to the Caryi Group that on January 20, 2025, Annapolis Management, Inc., Ruby, LLP, BSL Holdings Limited, 3337151 Nova Scotia Limited and 4551650 Nova Scotia Limited filed with the Office of the Superintendent of Bankruptcy (“**OSB**”) a notice of intention to make a proposal (“**NOI**”) under section 50.4(1) of the BIA. As noted above, the Caryi Group’s CCAA Application was previously withdrawn on January 13th, 2025, and January 24th, 2025 was set down by this Court to hear the Lenders’ Receivership application.
19. The Proposed Receiver understands the Lenders will be asking the Court to lift the automatic stay of proceedings under s.69.1 of the BIA, as the Lenders are of the view that preserving the stay in the present circumstances will cause the Lenders material prejudice. GTL’s understanding of the Caryi Group’s application for a restructuring pursuant to the CCAA, and the Lenders opposition thereto, are outlined in the Pre-Filing Report of GTL as Proposed Interim Receiver, attached at Appendix “A”.

Action Plan Should the Receivership Order be Granted

Initial Steps:

20. Should the Receivership Order be granted, the Proposed Receiver intends to immediately take the following actions, amongst others:
- a) Work with the Debtors' and their advisors to contact current property managers and the Caryi Group's tenants to advise of the Receivership Order, ensuring that:
 - i. current tenants have a direct point of contact in respect of their leases and any issues that arise in respect of their units;
 - ii. where required, utilities are paid to ensure no interruption in services to tenants;
 - iii. the properties are maintained in preparation for a sales process;
 - iv. the current level of insurance is verified to be appropriate in the circumstances and paid up to date;
 - v. the properties are compliant with various safety and building code regulations; and
 - vi. rent is appropriately collected, and directed to the Receiver.
 - b) Silo the costs and proceeds from each building to appropriately account for their realization to each lender, marshalling restructuring costs to the extent practicable across each property to appropriately allocate the cost the insolvency proceedings and solicit feedback on same from the Lenders;
 - c) Contact the Debtors, their advisors and any third-party service providers to obtain access to the Caryi Group's books and records, historical marketing materials for the Property. Amongst other things, this will be required by a Receiver to provide notice to creditors pursuant to section 245 of the BIA;
 - d) Create a case website, www.DoaneGrantThornton.ca/Caryi to upload all materials related to the Receivership Proceedings;
 - e) Engage certified appraisers to obtain appraisals for each of the Caryi Group's properties; and

- f) Obtain an independent opinion on the enforceability and validity of the security granted to the Lenders' on the Property.

Sales Process

21. Should the Receivership Order be granted, the Receiver intends to prepare for and launch a sale process ("**Sales Process**") to be undertaken by the Receiver as regards the Caryi Group's Property. The proposed Sales Process, expected to be substantially in the form as set out in **Appendix "C"**, includes the following key features:
- a) The Sales Process will follow the Sale by Tender methodology, whereby offers ("**Bids**") following a standardized template are submitted to the Receiver outlining the value a Bidder (described below) ascribes to each property in its Bid, whether for individual properties or en bloc;
 - b) The Receiver will create a solicitation letter ("**Teaser**"), a non-disclosure agreement ("**NDA**"), and a targeted list of interested parties and will also establish a virtual data room ("**VDR**") with additional information for interested parties within approximately 30 days of the Receivership Order;
 - c) The Sales Process will be marketed directly to interested parties and advertised in other venues, such as newspaper advertisements and Insolvency Insider, as the Receiver considers appropriate to maximize engagement and create competitive tension;
 - d) Interested parties who provide the Receiver with duly executed copies of the NDA, and such other information as the Receiver may require validating the interested party's financial wherewithal, may become qualified bidders ("**Bidder**") in the Sales Process;
 - e) The deadline to submit Bids ("**Bid Deadline**") will be 60 days after the launch of the Sales Process, subject to change at the discretion of the Receiver, with any such changes provided in writing to Bidders, interested parties and posted on the Receiver's case website;
 - f) At the Receiver's discretion, the Receiver may accept a Bid prior to the Bid Deadline if, in the opinion of the Receiver, such Bid is in the best interest of the estate. The acceptance of any such bid would be strictly subject to Court approval, upon notice to interested parties; and

- g) Any Bids accepted pursuant to the Sales Process will be strictly subject to Court approval, and must include the payment of outstanding property taxes, if any.
22. Preliminary dates for the Sales Process, if approved, are as follows:
- a) Sales Process Launch: Within 30 days of Receivership Order;
 - b) Bid Deadline: Within 60 Days of Sales Process Launch ;
 - c) Court Approval: Within 30 days of Bid Deadline

Proposed Court Ordered Charges

23. The Lenders' request for the proposed Receivership Order includes Court ordered charges in priority to all creditors that include:
- a) An administration charge of \$250,000 ("**Admin Charge**") over the Debtor's Property for the Receiver, its counsel and the Lenders' counsel as security for professional fees and disbursements relating to services rendered in respect of the proposed Receivership Proceedings (whether incurred prior to or after the Receivership Order).
 - b) A borrowing charge of \$350,000 ("**Borrowing Charge**") to provide the Proposed Receiver with access to liquidity to preserve, protect and realize on the Property throughout the proposed Receivership proceedings, if required.
24. The Proposed Receiver is of the view that the above noted charges are commercially reasonable, consistent with charges granted in similar insolvency proceedings with multiple secured creditors and real property of this nature, and GTL's experience on similar mandates.

Request for the Court's Assistance

25. The Proposed Receiver understands the Lenders are requesting the assistance of this Honourable Court in granting the Receivership Order because, among other things:
- a) The Lenders are not homogenous, comprise multiple different parties with mortgage security against different buildings, and are entitled pursuant to their loan and security documents to seek the appointment of a receiver with a fiduciary duty to all stakeholders in providing transparency in the realization process;

- b) GTL's experience on similar mandates indicates that a Court order will be critical to working with property management companies and with tenants who may otherwise be reluctant to redirect rents to a private receiver;
- c) The Proposed Receiver considers that the potential availability of a vesting order, which would be unavailable in a private proceeding, will be of considerable assistance to realizing on the Property and will facilitate the marketing of the Property to potential purchasers, maximizing the recovery for stakeholders;
- d) GTL's experience on similar mandates suggests a Court Order will facilitate the administration of the receivership, including working with utilities and insurance; and
- e) The Lenders are of the view that the preservation of the stay pursuant to section 69.1 of the BIA resulting from the Caryi Group filing the NOI's would constitute a material prejudice to the Lenders, and therefore should be lifted to grant the Receivership Order.

ALL OF WHICH IS RESPECTFULLY SUBMITTED this 20th day of January 2025.

Appendix A – GTL Consent to Act

Introduction

1. Grant Thornton Limited (“**GTL**” or the “**Proposed Interim Receiver**”) understands that on January 14, 2025, Annapolis Management Inc., BSL Holdings Inc., Comvest Commercial Real Estate Inc., Ruby LLP, 3337151 Nova Scotia Limited and 4551650 Nova Scotia Limited (together, the “**Caryi Group**” or the “**Debtors**”) will be making an application to the Supreme Court of Nova Scotia in Bankruptcy and Insolvency (the “**Court**”) for an initial order granting certain relief pursuant to the *Companies’ Creditors Arrangements Act*, R.S.C., 1985 c. C-36, as amended (“**CCAA**”).
2. As at the date of this report (“**Pre-Filing Report**”), the Caryi Group has outstanding mortgages of approximately \$46.7 million secured by, amongst other things, real property in Atlantic Canada. GTL understands that Douro Capital Limited, Assumption Life, Atlantic Central Credit Union, League Savings and Mortgage and 3046475 Nova Scotia Limited (together, the “**Lenders**”) collectively hold mortgages of approximately \$38.7 million (81%) against the Debtors’ real property and oppose the Debtors requested relief under the CCAA.
3. As a result, GTL understands the Applicant, with support of the Lenders, intend to seek the appointment of GTL as interim receiver pursuant to section 47(1) of the *Bankruptcy and Insolvency Act*, RSC 1985, C B-3 (“**BIA**”) over the real property subject to the Lenders’ mortgages (“**Interim Receivership Proceedings**”). Should the Lenders requested relief (“**Interim Receivership Order**”) be granted, GTL understands the Lenders intend to convert the Interim Receivership Proceedings, and GTL’s role therein, to a Court appointed Receiver pursuant to section 243(1) of the BIA in short order (“**Receivership Proceedings**”).
4. The entities that are the contemplated to be the subject of the Interim Receivership Proceedings include the entirety of the Caryi Group that is requesting relief pursuant to the CCAA, apart from Comvest Commercial Real Estate Inc. (“**Comvest**”), which GTL understands does not hold real property.
5. GTL is filing this Pre-Filing Report in its capacity as Proposed Interim Receiver, to provide the Court with information for its consideration in respect of the relief sought by the Lenders.

Purpose of the Pre-Filing Report

6. The purpose of this Pre-Filing Report is to provide the Court with the Proposed Interim Receiver's understanding and views on the following matters:
- (a) The qualifications of GTL to act as Interim Receiver, and then Receiver, pursuant to the Lenders' application;
 - (b) GTL's understanding of the Caryi Group's properties;
 - (c) The Proposed Interim Receiver's understanding of the Lenders' request for the Interim Receivership Order; and
 - (d) The Proposed Interim Receiver's intended plan of action, including a process for realizing on the Company's Property, should the Lenders' requested relief be granted and GTL is appointed as Court appointed Receiver.

Terms of Reference

7. In preparing this Pre-Filing Report, the Proposed Receiver has relied upon (i) certain aspects of the Debtor's financial and other information included with the Caryi Group's application materials filed with the Court (ii) information provided to the Lenders in respect of the Caryi Group's financial position, (iii) discussions with certain of the Lenders and their respective legal counsel, and (iv) the application materials filed by the Lenders. Such information has not been audited by the Proposed Interim Receiver as to its accuracy or completeness, nor has it necessarily been prepared in accordance with generally acceptable accounting principles. Readers are therefore cautioned that this Pre-Filing Report may not disclose all significant matters related to the Caryi Group.
8. This Pre-Filing Report has been prepared for the use of this Court as general information relating to the Company and to assist the Court in determining whether to grant the relief sought by the Lenders. Accordingly, the reader is cautioned that this Pre-Filing Report may not be appropriate for any other purpose. The Proposed Interim Receiver will not assume responsibility or liability for losses incurred by the reader as a result of the circulation, publication, reproduction or use of this Pre-Filing Report contrary to the provisions of this paragraph.
9. Capitalized terms not otherwise defined herein are as defined in the Lenders' application materials, including the January 13, 2025 affidavit of Charles Ackerman ("**Ackerman**

Affidavit"). This Pre-Filing Report should be read in conjunction with the Ackerman Affidavit as the Proposed Interim Receiver has not reproduced all information to avoid unnecessary duplication.

10. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian Dollars.

Qualifications to Act as Interim Receiver

11. GTL is a Licensed Insolvency Trustee within the meaning of section 2(1) of the BIA and is not subject to any of the restrictions on who may be appointed as Receiver or Trustee set out in section 13.3(1) of the BIA. Specifically, neither GTL nor any of its representatives or affiliates has at any time in the past two years been:
 - a) a director, officer or employee of the Company;
 - b) related to the Company, or to any director or officer of the Company; or
 - c) the auditor, accountant or legal counsel or a partner or an employee of the auditor, accountant or legal counsel, of the Company.
12. GTL has consented to act as Interim Receiver should the Court grant the Lenders' requested relief for the Interim Receivership Order. A copy of the Proposed Interim Receiver's consent to act is attached hereto as **Appendix "A"**. Should the Court grant the Interim Receivership Order, and subsequently grant an Order to transition the Interim Receivership Proceedings to a Receivership proceeding under section 243(1) of the BIA, GTL will engage counsel to, among other things, obtain an independent legal opinion with respect to the validity and enforceability of the security held by the Lenders.
13. GTL draws breadth of experience from its team of Partners and colleagues in Atlantic Canada, with recent and relevant experience in the real-estate sector including as Court appointed Receiver over eleven (11) fully occupied apartment buildings in Nova Scotia and New Brunswick. The GTL representatives with carriage of this matter are experienced Chartered Insolvency and Restructuring Professionals and Licensed Insolvency Trustees, who have acted as Court appointed Receivers across Canada, and in particular in Atlantic Canada, with considerable experience in mandates of this nature. Doane Grant Thornton has the largest assurance, tax and advisory practices specializing in real property development, transaction and ownership in Atlantic Canada.

Caryi Group Properties and Operations

14. The business and affairs of the Caryi Group, the events leading to its insolvency and the Debtors' request for relief pursuant to the CCAA are outlined in the January 8, 2024 affidavit of Joanne Caryi ("**Caryi Affidavit**"). GTL has reviewed the Caryi Affidavit and discussed same with the Lenders and its legal counsel.
15. The Caryi Group's assets comprise real property in Atlantic Canada that is secured by mortgages from the Lenders, as outlined below ("**Property**"):

Entity	Property	Address	Mortgages	Leases/Tenants
Annapolis Management Inc. (\$33.5M Secured Debt)	Halifax Club	1682 Hollis Street	1) Assumption Life: \$4.2M 2) Graysbrook Capital: \$1.4M	Private social club
	Freemasons Hall	1533 Barrington Street	1) ACCU: \$13.7M 2) Graysbrook Capital: \$3.8M	5 commercial units, 4 tenants 11 residential units, 3 rented
	Residence	545 Young Ave	1) CIBC: \$1.6M 2) Graysbrook Capital: \$1.1M	2 units, 4 tenants
	National Film Board	1572 Barrington Street	1) League Savings: \$7.7M 2) League Savings: Unlimited collateral mortgage	Cameo Hotels/Suites; 21 rooms

	Guardian Building	165 Prince Street (PEI)	1) Assumption Life: \$2.4M 2) Saltwire: \$0.2M	Mixed residential/commercial 3 commercial tenants
4551650 NS Limited (\$2.1M Secured Debt)	Sonic Building	1674 Hollis Street	1) Douro Capital Limited: \$1.8M 2) 3046475 NS Ltd. \$0.3M	Empty
3337151 NS Limited (\$6.2M Secured Debt)	Tramway Building	1598 Barrington Street	1) League Savings: \$6.2M	1 commercial unit, leased Ceased construction

16. As at the date of this Pre-Filing Report, GTL understands that the Caryi Group's construction and development activity on the Property has ceased or is limited, and that the only continued operations are limited to the collection of rent from the Caryi Group's tenants. As the business operations relating to the Property are minimal, the Proposed Interim Receiver understands that there are very few creditors other than the Lenders, and that such other creditors have generally been paid in the ordinary.
17. The Proposed Receiver understands that operations at the Halifax Club have continued via a lease with Comvest, who retains the operational liabilities associated thereto. As noted previously, Comvest would not form part of the proposed Interim Receivership Proceedings as it holds no real property.

Lenders Security

18. The Caryi Affidavit describes in paragraphs 13-47 each building that comprises the Property and the associated mortgage and security granted to the Lenders. GTL understands the security granted to the Lenders is *prima facie* valid and enforceable, however should a Receivership Order be granted, independent opinions on each Lenders' security in respect of the Property will be obtained by GTL.
19. The Proposed Interim Receiver understands that the estimated outstanding mortgage indebtedness of the Caryi Group to be as follows:

Secured Creditors	Mortgage	Supporting Lenders
Atlantic Central Credit Union	\$ 16,102,160	\$ 16,102,160
League Savings	13,933,831	13,933,831
Assumption Life	6,570,838	6,570,838
CIBC	1,631,000	
Graysbrook Capital	7,102,618	
Douro Capital Limited	1,800,000	1,800,000
3046475 Nova Scotia Limited	275,000	275,000

Total Estimated Mortgage Balances	\$ 47,625,447	\$ 38,681,829

Lenders' Opposition to Debtors' Proposed CCAA Proceeding

20. Based on its review of the Debtors' application materials and various discussions with the Lenders, GTL understands that the Debtors are insolvent, are facing a liquidity crisis and do not have the capability to continue operations in the ordinary course. Fundamentally, GTL understands the Lenders oppose the Debtors' application for relief under the CCAA because the Lenders take the view that the path proposed by the Debtors is unnecessarily protractive and expensive in the circumstances and that a liquidation of real property can more efficiently be completed by a Receiver.
21. GTL is advised that the Lenders were provided the following 40-week cash flow forecast ("CFF") by the Debtors which outlines the plan for the proposed CCAA proceedings, summarized below:

Caryi Group 40 Week Cash Flow Forecast (CAD)	
	Total
RECEIPTS	
Collection of Rent	952,406
Halifax Club Revenue	77,584
DIP Financing	1,400,000
Total Receipts	2,429,990
DISBURSEMENTS	
Utilities	(308,328)
Insurance	(168,960)
Operations	(111,867)
Capex	(430,700)
Property Management	(80,000)
Halifax Club Expenses	(108,106)
Professional Fees	(626,933)
Property Tax	(184,500)
Corporate	(210,000)
Interest	(82,000)
HST Refund (Due)	(27,055)
Total Disbursements	(2,338,449)
Net Inflow / (Outflow)	91,541
Opening Balance	51,385
Cash Flow	91,541
Closing Balance	142,927

22. The Lenders understand that the cash flow forecast included within the pre-filing report of Deloitte Restructuring Inc. (“**Deloitte**”) reflects the first 12 weeks of the above noted CFF for the Debtors’ proposed CCAA proceedings. GTL is advised that the Lenders understand the above CFF is the intended action plan for the duration of the CCAA proceedings.
23. GTL and the Lenders’ have reviewed the Debtor’s materials and the CFF. GTL understands that the Lenders oppose the Company’s requested relief due to the following issues, among other things:

Relationship between the Debtors and Lenders:

24. GTL understands that the Lenders have lost faith in the Caryi Group’s management and that the Lenders’ assessment of risk and rewards of a Court driven proceeding favor a traditional receivership over a debtor-led CCAA proceeding. Based on the Debtors’ application materials, the CCAA proceeding appears to be a proposed liquidating CCAA rather than one where a “germ of a plan” exists for a true restructuring, and GTL understands the Lenders’ believe a liquidation can be more efficiently executed through a

receivership. The Caryi Affidavit at paragraph 65 highlights that management is not “...experienced at all in doing this type of work” and therefore require the engagement of a CRO to advance the CCAA Proceedings.

25. While GTL understands the Lenders take no issue with the proposed CRO’s ability or qualifications, the requirement of a CRO provides a further layer of professional fees that would be unnecessary in what the Lenders’ view as a straightforward real property liquidation. The proposed CRO’s estimated fees are \$0.13 million to \$0.15 million, as outlined within the proposed CRO’s engagement letter attached to the pre-filing report of Deloitte, and further propose a success fee of \$0.1 million in the event a transaction for all or substantially all of the Property is finalized. GTL notes that these costs are unnecessary in a receivership proceeding.
26. Further, given the Caryi Affidavit outlines managements inexperience and the need for a CRO, GTL understands that management will necessarily have limited involvement and contribution to the CCAA Proceedings. Therefore, the Lenders’ oppose the request for a senior secured Directors and Officers charge of \$0.25 million, which is unnecessary in a Receivership.

Value maximization and cost minimization:

27. The CFF includes \$1.4 million of interim financing (“**DIP Financing**”) to pay for the proceedings which the Caryi Group is requesting to form a senior secured charge over all the Debtors’ property, priming each of the secured creditors and reducing their recovery accordingly.
28. GTL understands that the DIP Financing would be used to fund operating costs over 40 weeks of the proposed CCAA proceedings including, among other things:
 - a) \$0.4 million of Capital Expenditures for ongoing projects that require capital work, such as sprinklers, furnace, wheelchair elevator, façade repair and related scaffolding;
 - b) \$0.6 million in Professional Fees to cover the costs for the Debtors’ counsel, the proposed CRO, Deloitte and Deloitte’s counsel;
 - c) \$0.2 million in Corporate costs not attributable to specific properties and to certain contractors currently performing work on the Property; and

- d) \$0.1 million in Operations for costs such as maintenance and snow removal at the Property.
29. While the Caryi Group's business included renovating properties for resale, GTL understands that the Lenders would not be supportive of incremental capital expenditures that prime all Lenders via the DIP Financing, yet may not increase the value of each Lenders' collateral proportionately, as the Lenders are not homogenous and have security against different properties.
30. GTL understands that the Debtors intended plan includes returning to Court within 45 to 60 days of an initial order, providing time for the Debtors, the proposed CRO and the Monitor to develop a sales and investment solicitation process ("**SISP**"). GTL understands that the Lenders are concerned with the lengthy delay to develop a SISP, given that many of the properties were previously extensively marketed and that the Debtors have advised that all construction work on the Property previously ceased.
31. Based on its review of the Property, its experience in mandates of this nature and its discussions with the Lenders, GTL is of the view that the 40-week timeframe to develop, market and close transactions for assets of this nature appears extensive, with no guarantee that a lengthy timeframe could lead to a greater recovery relative to a traditional process (6-8 weeks) to market the Property on an "as is where is" basis. A simplified marketing process and leveraging the previous efforts of sales agents would significantly reduce costs and still meet the tests outlined by the Court to approve transactions similar in this nature in *Royal Bank of Canada v. Soundair Corp. et al.*
32. The CFF also includes corporate costs of \$0.2 million and Halifax Club expenses of \$0.1 million, the majority of which are not expected to be required in a Court appointed receivership proceeding. GTL would expect operating activities in a Court appointed receivership for assets of this nature to be limited generally to the payment of utilities, insurance, property management, limited overhead and facilitating rent collection from tenants.
33. GTL is advised that Comvest, which has no real property but holds the lease to operate the Halifax Club, has outstanding CRA liabilities. The CFF appears to show the Halifax Club continuing operations at a loss, further eroding creditor recovery. The inclusion of Comvest within the proposed CCAA proceeding may erode the realization available to the

Lenders, particularly as it appears the Debtors have not segregated the CFF by individual building in the Property.

34. The CFF includes approximately \$0.6 million in professional fees. The Debtors' application includes at least one further layer of professionals, being both a Monitor and CRO, to facilitate the proposed SISF for the Property. GTL understands the Lenders' take the position that a marketing process for real property of this nature can be accomplished more efficiently by a Receiver compared to a CRO and Monitor in a CCAA, thereby reducing the number of professionals and the costs involved.
35. In summary, if GTL used the CFF provided by the Debtors and assumed that forecasted professional fees for an Interim Receivership were the same, GTL expects disbursements would be approximately \$0.4 million less through March 31 in a Receivership than in the Debtors proposed CCAA, because of the different approaches taken.

Availability and source of financing:

36. The Caryi Affidavit outlines that the Debtors are negotiating and should have in place DIP Financing prior to the proposed come back hearing. The Debtors CCAA proposal requires significant funding, absent which would constitute a material adverse change, negatively impacting the Lenders' collateral. Conversely, a Receiver can borrow any incremental funds required outside the collection of rents through Receivership Borrowings. The Proposed Interim Receiver understands that one or more of the Lenders' would be supportive in providing such Receivership Borrowings if required.

Nature of competing proposal and effect on stakeholders:

37. GTL understands the plan put forward by the Caryi Group and outlined in the CFF includes up to \$2 million of senior secured charges ahead of the Lenders through a prolonged sales process and continued operations. Conversely, GTL understands the Lenders are of the view this is a straightforward liquidation of real property, involving the payment of utilities and collection of rent from tenants while a traditional sales process is facilitated by an officer of the Court who has an obligation to all stakeholders.
38. Further, as outlined in the Ackerman Affidavit, GTL understands that the Caryi Group may have unrealistic expectations in respect of the Property's value, which could further delay the Lenders' realization efforts if a debtor led CCAA proceeding moved forward.

39. The Ackerman Affidavit outlines the Caryi Group's efforts to sell the Property over the last year, to which GTL understands did not result in an offer acceptable to the Debtors. GTL understands that the Lenders are of the view that a SISP run by the Debtors may present further delays in realizing on the Property and cause further erosion of the Lenders security.

Recognition of diverse interests of Lenders:

40. GTL understands that in real property insolvencies with mortgages across several entities and lenders, mortgagees are often concerned that the costs of the proceedings, funding for operations and the cash flow for each property be siloed by property, such that each property is treated as if it was a separate proceeding to respect the divergent collateral and security of each lender. In reviewing the Debtors' CFF, and recognizing that each of the secured Lenders has interests in different properties, it does not appear that the marshalling of costs against each property is considered, such that the costs of the proceedings are appropriately allocated across the Property and respecting the divergent interest for each secured Lender.

Action Plan Should the Interim Receivership be Granted

41. Should the Interim Receivership Order be granted, GTL would act as Proposed Interim Receiver to protect and preserve the Property until such time as the Lenders' request an order of this Honourable Court to convert the Interim Receivership Proceedings to a traditional Receivership Proceeding under section 243(1) of the BIA.
42. In its capacity as Proposed Interim Receiver, GTL intends to immediately take the following actions, amongst others:
- a) Work with the Debtors' and their advisors to contact current property managers and the Caryi Group's tenants to advise of the Interim Receivership proceedings and provide contact information for the Proposed Interim Receiver;
 - b) Work with the Lenders' to prepare for the proposed Receivership proceedings, including a proposed sales process for the realization of the Debtors' Property, contacting prior sales advisors, contacting property managers if required, obtaining copies of the Debtors' books and records, creating a case website and determining the universe of creditors;

- c) Determine if any interim financing is required for the preservation and protection of property within the Interim Receivership Proceeding, and if so, obtain same.
43. Pursuant to s. 47(1)(c) of the BIA, the duration of an apportionment of an Interim Receiver is to last no longer than 30 days. Should the Court grant the Lenders' requested relief, GTL understands that the Lenders intend to make a further application to the Court to request GTL be appointed as Receiver.
44. Should the Proposed Interim Receivership Proceedings be converted to a Receivership pursuant to section 243(1) of the BIA, GTL as Receiver intends to, among other things:
- a) If required, engage current property managers to manage the Property and relationships with the Debtors' current tenants, should GTL determine a third party would be more cost effective than a Receiver;
 - b) Silo the costs and proceeds from each building to appropriately account for their realization to each lender, marshalling restructuring costs to the extent practicable across each property to appropriately allocate the cost the insolvency proceedings and solicit feedback on same from the Lenders;
 - c) Contact the Debtors, their advisors and any third-party service providers to obtain access to the Caryi Group's books and records, historical marketing materials for the Property. Amongst other things, this will be required by a Receiver to provide notice to creditors pursuant to section 245 of the BIA;
 - d) GTL understands that the Caryi Group had previously engaged certain sales advisors to market portions of the Property over the past year. Should GTL be appointed as Receiver, GTL would engage with any prior sales advisors and the secured creditors in respect of a proposed sales process, which may include the continued retention of former sales advisors to reduce costs;
 - e) Subject to discussions with previous sales advisors, prepare for and launch a sales process to market the Property using a similar approach taken by GTL in Court appointed Receivership Proceedings for real property of this nature. This includes the creation of a solicitation letter, a non-disclosure agreement, advertisements, a confidential information memorandum and a targeted list of interested parties, marketed over 60 days or such period as may be appropriate given the condition of

- the property and previous marketing efforts. GTL will also establish a virtual data room with additional information for interested parties;
- f) Obtain appraisals for each building that appraise the Property on an “as is, where is” basis, for comparison to offers received in the sales process; and
 - g) Obtain an independent opinion on the enforceability and validity of the security granted to the Lenders’ on the Property.

Interim Receivership Proposed Court Ordered Charges

- 45. GTL understands that the Lenders application to the Court for an Interim Receivership Order contains a request for the following Court ordered charges in priority to the Lenders:
 - a) an Administration Charge of \$0.1 million to cover the professional fees of the Proposed Interim Receiver, its counsel and Lenders counsel; and
 - b) a Receiver’s Borrowing Charge of \$0.1 million during the Interim Receivership Proceedings for access to immediate liquidity, if required.
- 46. The Proposed Interim Receiver is of the view that the above noted charges are commercially reasonable, consistent with similar insolvency proceedings with multiple secured creditors and real property of this nature.
- 47. The Proposed Interim Receiver understands that the Debtors’ application requests the following Court orders charges in priority to the Lender until the comeback hearing:
 - a) an Administration Charge of \$0.3 million to cover the professional fees of Deloitte, Deloitte’s counsel and the proposed CRO;
 - b) a Directors and Officers (“**D&O**”) Charge of \$0.1 million to cover incurred liabilities to the Directors of the Caryi Group during the course of the proposed CCAA proceedings; and
 - c) a DIP Financing Charge of \$0.25 million initially, likely increasing to at least \$0.65 million at a comeback hearing as outlined in the cash flow forecast attached to the pre-filing report of Deloitte.
- 48. The Proposed Interim Receiver has compared the requests for Court approved charges as between the proposed CCAA and Receivership. As summarized below, the Debtors

are seeking approximately \$1.35 million more in charges for a CCAA proceeding in comparison to a receivership.

GTL's Understanding of Requested Court Ordered Charges			
	Lenders' Application	Debtors' Application	Variance
1. Administration Charge	\$ 100,000	\$ 300,000	\$ (200,000)
2. D&O Charge	-	100,000	\$ (100,000)
3. DIP Financing Charge or Receiver's Borrowing Charge	100,000	250,000	\$ (150,000)
Initial Priority Charges	\$ 200,000	\$ 650,000	\$ (450,000)
Increase to Admin Charge	150,000	-	150,000
Increase DIP Financing/Receiver's Borrowing Charge	200,000	1,250,000	(1,050,000)
Total Expected Priority Charges	\$ 550,000	\$ 1,900,000	\$ (1,350,000)

Request for the Court's Assistance

49. The Proposed Interim Receiver understands the Lenders are requesting the assistance of this Honourable Court in granting the Interim Receivership Order because, among other things:
- a) The Lenders' oppose the Debtors' requested relief pursuant to the CCAA for the reasons outlined in the Lenders' application materials, the Ackerman Affidavit and discussed above. GTL understands the Lenders take the view that the Debtors proposed plan is unnecessarily expensive, will prejudice the Lenders through significant priming charges, and does not demonstrate how it will create incremental value to the Lenders and stakeholders generally over a traditional receivership sales process opted for by the Lenders;
 - b) The Lenders are not homogenous, comprise multiple different parties with mortgage security against different buildings, and are entitled pursuant to their loan and security documents to seek the appointment of a receiver to act in the interests of all Lenders to realize on the Property;
 - c) The Proposed Interim Receiver considers that the potential availability of a vesting order, which would be unavailable in a private proceeding, will be of considerable assistance to realizing on the Property and will facilitate the marketing of the Property to potential purchasers, maximizing the recovery for stakeholders;
 - d) GTL's experience on similar mandates suggests a Court Order will facilitate the administration of the receivership including working with utilities and insurance.

50. Further, the Proposed Interim Receiver considers the proposed Administration Charge of \$100,000 and Receiver's Borrowing Charge of \$100,000, as set out in the Draft Interim Receivership Order, are appropriate for the reasons detailed herein.

ALL OF WHICH IS RESPECTFULLY SUBMITTED this 13th day of January, 2025.

9. Any sale pursuant to any transaction(s) contemplated herein will be subject to approval by the Court and free and clear of all liens, security interests, mortgages, charges, and other encumbrances, except those expressly assumed by the Purchaser, pursuant to an Order of the Court approving such sale and vesting title to the purchased Properties in the successful bidder, if applicable.

Due diligence access may include access to the VDR, on-site inspections, and other matters which a Potential Bidder may reasonably request and which the Receiver deems appropriate. The Receiver will designate one or more representatives to coordinate all reasonable requests for additional information and due diligence access from each Potential Bidder and the manner in which such requests must be communicated.
